

# An ABA Endorsed Provider

Pentegra's qualified retirement plan solutions have earned the endorsement of the American Bankers Association through its subsidiary, the Corporation for American Banking. Pentegra's retirement products were chosen after a thorough review and analysis by the ABA and its subsidiary, the Corporation for American Banking, based on a wide range of factors, including Pentegra's ability to meet the needs of ABA members with a full array of retirement product offerings, industry expertise and bank-focused solutions.
